

CAL POLY EARTH WEEK 2008

April 22nd: Mustang Daily Green Issue - Pick up a copy of the Green Issue and read about current hot topics on sustainability at Cal Poly. For more information, come to the Earth Week Booth in the UU Plaza.

April 24th: "Ride Your Bike To School Day" - As part of a state-wide effort to promote health, wellness and cut carbon emissions, join us in biking to school.

April 29th: Cal Poly Earth Day

10:30am - 11am :: Chumash Auditorium

Terry Lilley, from **Save our Seas**, will be presenting on preserving, protecting, and restoring the world's oceans for future generations.

11am- 12:30pm :: Chumash Auditorium

2041 Voyage for Cleaner Energy

Robert Swan is an environmental leader and the first person in history to walk to both the North and South poles alone. Mr. Swan has dedicated his life to the preservation of Antarctica through the promotion of recycling, renewable energy and sustainability to combat the effects of climate change.

Boat Tours: 2pm - 6pm Morro Bay Harbor

The Cal Poly Surfrider Club is organizing a tour of Mr. Swan's boat for up to 30 interested participants using San Luis Obispo RTA Buses. **All interested parties must RSVP to reserve a ticket. Please contact Cal Poly Surfrider by April 24th** calpolysurfrider@gmail.com
